APPLICATION FOR UAEMAR 21 DESIGN ORGANISATION APPROVAL

GUIDANCE

These guidelines are designed to assist you to complete the UAEMAR Form 80 for approval as a Military Design Organisation under UAE Military Airworthiness Regulation (UAEMAR) 21, Subpart J.

IMPORTANT

It is the applicant's responsibility to apply for MAA approval only if they have a requirement for the approval and can demonstrate compliance with all the relevant regulatory requirements.

Please carefully read this document and any relevant Acceptable Means of Compliance or Guidance Material issued by MAA.

ABOUT THIS FORM AND APPLICATION PROCESS

Completing this application form is the first step in the application process. Once received, MAA will review your application including all supporting documentation provided.

Applicants are to complete and sign a PDF version of this application form electronically and submit to the nominated MAA email below.

NOTE

MAA may not consider an application or cease to consider it further while the applicant has not complied with all UAEMAR requirements.

This UAEMAR Form 80 is the official MAA form to apply for approval as a Military Design Organisation (MDOA) under UAEMAR 21 Subpart J. This form is considered part of an application pack and should be submitted with the appropriate evidence to support the application.

COMPLETION OF THE FORM

Withdrawal of Application

An application can be withdrawn in writing at any time.

Block 1 – Applicant Trading Name or Military Unit / Group

Provide the trading name of the Company or UAE military unit / group.

Block 2 – Applicant Data

Provide the legal business name of the Company as it appears on the Business Registration or similar legal document. Include confirmation of the legal status of the Organisation and enclose a copy of the Certificate of Incorporation or similar with this application. Confirmation of the legal status of the Organisation is not required for UAE military groups.

Block 3 – Locations for which the approval is applied for

State all locations for which the approval is applied for. Only those locations must be stated that are directly under the control of the legal entity stated in Block 2.

APPLICATION FOR UAEMAR 21 DESIGN ORGANISATION APPROVAL

Block 4 – Locations for which the approval is applied for

Provide a brief explanation as to why a MDOA is sought.

Contact person and contact details.

Provide an individual's name and contact details through which MAA can direct all correspondence regarding the application and assessment process of the MDOA.

Block 5 – Scope of design work.

Provide details of the categories of design work to be carried out, the platform upon which it will be conducted and the design disciplines required. If approved, this information will form a large part of the Terms of Approval (ToA) for the MDOA. The numbering in brackets refers to the equivalent Category for Scope of Design used by the European Aviation Safety Agency (EASA) on their Form 80 and is retained for reference.

Block 6 – Privileges.

Tick all privileges being sought as part of the application. Further information regarding privileges can be found at UAEMAR 21.A.263.

Block 7 – Limitations.
