APPLICATION FOR APPROVAL OF MINOR CHANGE / MINOR REPAIR DESIGN (AUTHORITY)

GUIDANCE

These guidelines are designed to assist organisations in the completion of a UAE Military Airworthiness Regulation (UAEMAR) Form 32 for Approval of Minor Changes / Minor Repair Design under UAEMAR 21 21.A.93 or DASR 21.A.437(a) respectively.

IMPORTANT

It is the applicant's responsibility to apply for MAA approval only if they have a requirement for the approval and can demonstrate compliance with all the relevant regulatory requirements.

Acceptable Means of Compliance and further Guidance Material is available within the relevant Subparts of the UAEMAR, which may assist with the application process.

ABOUT THIS FORM AND APPLICATION PROCESS

This UAEMAR Form 32 is the official MAA application form to obtain Approval of a Minor Change / Minor Repair Design under UAEMAR 21.A.93 or UAEMAR 21.A.437(a) respectively. This form should be submitted with the application pack containing the appropriate supporting evidence.

WITHDRAWAL OF APPLICATION

An application can be withdrawn in writing at any time.

PRIVACY POLICY

MAA requires the provision of information as listed in this form. All such information received will be treated as confidential and will not be disclosed to any third parties unless that disclosure is required or authorised by law. MAA will safeguard personal information, however, please be aware that MAA policy is to publish approved artefacts on its website.

FORM SUBMISSION

On completion, send form and documentation to MAA via email at UAEMAA@mod.gov.ae
