

CERTIFICATE OF RECOGNITION

Pursuant to the adopted policy on recognition of other National Military Airworthiness Authorities (NMAAs) as described in EMAD R, Edition 3.0 dated 5th October 2021, and having followed the process of recognition as detailed therein,

the

MILITARY AIRWORTHINESS AUTHORITY

(United Arab Emirates)

recognises the

DGA

*Direction générale de l'Armement – "Military technical
airworthiness authority of France"*

(France)

as a Competent Military Airworthiness Authority (MARQ Sub-Section A).

This Certificate of Recognition allows the UAE MAA to accept and/or re-use the artefacts of the DGA under the provisions as defined in the Implementing Forms of this Recognition.

This Certificate of Recognition remains valid as long as the conditions of the Implementing Forms are met or until the Certificate of Recognition is suspended or revoked in accordance with the arrangements as specified in the Implementing Forms.
